    - see `https://docs.racket-lang.org/guide/other-editors.html`

# What is Plait?

- Language defined in Racket

# What is Plait?

- Language defined in Racket
- Type inference

## What is Plait?

- Language defined in Racket
- Type inference
  - Every expression is typed

# What is Plait?

- Language defined in Racket
- Type inference
  - Every expression is typed
  - Don't have to write down the types
